A435 Cheltenham Cycleway – Ground Investigation

Dear Resident,

What: Nighttime single lane road closure and ground investigation.
Where: A435, adjacent to Cheltenham Racecourse
When: 14th August to 18th August & 21st August to 25th August.

On behalf of Gloucestershire County Council, we will shortly be undertaking ground investigation works on the section of the A435 near Cheltenham Racecourse. These ground investigation works are proposed to enable the redesign of the embankment which is currently deteriorating as well as to inform the design of a proposed cycleway.

The proposed works are due to take place between 19:00 and 06:00 from the 14th August to the 18th August and 21st August to the 25th August on weekday (Mon-Thurs) nights. During this time a single lane road closure with two-way traffic light signals will be in place on the northbound carriageway. The road will be fully reopened during the day.

We ask for your cooperation and understanding during this time and apologise for any inconvenience caused.

We have planned the work so we can be in and out as quickly as possible.

We would like to take this opportunity to thank you in advance for your co-operation.

Yours **sincerely**
