23/066	<p>Updates</p> <p>Comment submitted for the Appeal against Refusal for Permission in Principle for 5G mast on Barley Road/ Prestbury Road junction</p> <p>23/00029/PP1 Proposed 5G telecoms installation: H3G 15m street pole and additional equipment cabinets Telecommunications Mast And Cabinet Prestbury Road Cheltenham Gloucestershire</p> <p><i>"Prestbury Parish Council note your appeal against the rejection of the siting of a 15m 5G mast and associated boxes on the corner of Prestbury Road and Barley Road. Our view is that the current proposed position on the apex of the chicane on Prestbury Road gives it undue prominence, will cause distraction to drivers and creates an eyesore on a recently created attractive area.</i></p> <p><i>We accept that this is essential infrastructure and the Council is not opposed to such masts on principle, but we believe that there could well be less intrusive locations in the vicinity. There are a couple of sites nearby on land owned by Prestbury Parish Council that we believe may offer viable alternatives that mitigate the negatives mentioned previously. Both are within the boundary of Prestbury playing fields and we would welcome the opportunity to discuss these with you and the applicant at your earliest convenience in order to try to find a mutually agreeable solution."</i></p>
